

“Power in Prayer” Registration Form

Building relationships and praying for one another within our church whether you worship in-person or on-line, provides support, connection and growth in our faith. PRUMC is introducing “Power in Prayer Partners.” How does it work? When participating in “Power in Prayer,” you commit to pray for someone at PRUMC for 2022. They will also pray for you. Your commitment is prayer time, as well as reaching out to that person at least once a month to ask for their prayer request. Prayer partners will decide on how to best communicate. It could be by phone, text, or email. If you are interested in participating in “Power in Prayer,” please complete this registration form.
